OFFICIAL INVITATION

Dear President,
Dear Secretary General,

Ljubljana, 24. 1. 2010

Canoe Federation of Slovenia is pleased to invite your Federation to take part at the 2010 ICF Canoe Slalom World Championships, which will be held on the river Sava, Ljubljana, Slovenia, from September 8th to 12th, 2010.

The venue of the Championships, popular named "Tacen" is located in the picturesque environment by the Sava River, lying at the foothills of the Šmarna Gora Mountain and Grmada peak. Today, it is an independent quarter governed by the City Council of the City of Ljubljana. It has a rich history. According to several estimates, it is said that ages ago this very region was home to a prehistoric settlement, whereas in time of the Roman Empire, an important trade route passed through this area, crossing the Sava River in Tacen. Tacen has also had an important role in the Slovene kayaking history, which began on October 20th, 1931, with the establishment of the first kayaking club in Ljubljana – "Kajak kanu klub Ljubljana".

We are very excited to host this event. We have accomplished high level of experience in organizing top kayak and canoe slalom events in previous years when we hosted several World Cup races, European and World Championships.

The Organizing Committee works very hard to prepare the competition and the competition venue. World Championships will be broadcasted live during four days. This coverage is the result of the cooperation between the ICF, EBU, Organizing Committee and the Slovenian National TV.

Canoe Federation of Slovenia and the Organizing Committee – SLOKA 2010 is delighted to welcome all National Teams for official training and the actual competition and we hope that 2010 ICF CANOE SLALOM WORLD CHAMPIONSHIPS held on the slalom course in Ljubljana will see excellent competition and memorable sporting moments for your team.

We are convinced that we can organize an amazing and successful World Championships and we hope you will be part of this event.

Here we are presenting a summary of the most important information about the competition. The details regarding the accommodation and logistics as well as information about other events, which will be held during championships and all other information, you can find on official web site at **www.sloka.si**.
